

PBCC General Membership Meeting Agenda for 9/18/2018

The agenda for the September general membership meeting is as follows:

1. State Parks Presentation

2. Ventura Police Department Presentation

Commander David Dickey from the VPD will be providing the monthly neighborhood update and speaking about the U.S. 9th District Court of Appeal's recent ruling about sleeping and camping in public and the implications of that ruling on our community's neighborhoods. To learn more about the ruling, see [Martin vs. City of Boise](#) and [Court: Cities can't prosecute people for sleeping on streets](#).

3. PBCC Treasurer Presentation

4. Election 2018: District 1 & District 4 City Council Candidates Presentation

The PBCC will be hosting two (2) councilmember candidates who are running in this November's 2018 Elections. **Why is this important?** While the City of Ventura's elections are [district-based](#), the seven (7) members that make up the council are responsible for making decisions that affect us all. With a total of four (4) councilmember seats available in this year's election (District 1, 4, 5 and 6), there is only one (1) current councilmember seeking re-election. The PBCC is supporting the election of new candidates who will be advocates for the issues affecting the Pierpont Bay community the most--Short Term Vacation Rentals (STVRs), Crime, Homelessness, and the Economic Plan for the City of Ventura. The PBCC Board supports both of these candidates for their stance on STVRs in residential areas:

5. Sofia Rubalcava, City Councilmember Candidate, District 1
